NEO Online Courses

Who will benefit?

Neo online classes are meant for those students who are unable to attend regular classes for any reason. We provide all our regular classes as videos and materials for our online students so that they are not short of content in comparison with regular students.

How to access?

1. Visit our website(www.neoias.com) and Register in Our Courses
2. After Registration, you will receive a user id and password to your registered email ID.
3. Login to our online platform (elearning.neoias.com) where you will get sample videos and materials of all subjects.
4. If you like our classes and materials, you can access our online classes by paying fees online.

A **GOAL** properly set is halfway done. We are here to **HELP** you strategize your **GOAL** to perfection.
